The SIAL Paris food exhibition at Paris Nord Villepinte is a global event where companies showcase their latest innovations. The event took place on **19 October to 23 October**. Many businesses, once again, benefited from NomaCool's expertise in refrigerator and freezer rentals for exhibitions and events. By providing reliable cooling solutions, NomaCool allowed exhibitors to focus on engaging with their audience without worrying about keeping products fresh.

Reliable refrigeration at the SIAL Paris food exhibition

From small booths to large displays, reliable refrigeration is crucial for keeping products fresh at events like SIAL Paris. This year, NomaCool provided exhibitors with high-quality refrigerators, freezers, and chillers through a flexible rental service. This helped exhibitors participate confidently. The team handled every detail, from initial consultation to timely delivery and setup at Paris Nord Villepinte.

Flexible rental options for any event

Every exhibition and event has unique needs. That's why NomaCool offers a wide range of refrigerators and freezers for rental, tailored to specific requirements. Whether you need a small fridge for drinks or a large freezer to showcase perishable products, the right solution lies here. With flexible rental terms, NomaCool ensures you'll find equipment that fits your event, no matter the size.

Years of experience and a proven track record

With extensive experience at international exhibitions like SIAL Paris, NomaCool puts client satisfaction first. The mission is to provide dependable cooling solutions, helping clients make a strong impression. Long-term partnerships with companies across various sectors highlight the firm's commitment to quality. Known for fast delivery, precise planning, and top-notch service, NomaCool consistently delivers satisfaction with each rental.

Why businesses choose NomaCool
